

[2] Energy and Climate Change (EC)

[2.10] Greenhouse gas emission reduction program

	
Charge parking (MNSUAM)	Renewable energy (MNSUAM)
	
Ride share applications (MNSUAM)	

Description:

MNS-University of Agriculture Multan has following best practices to reduce emissions at campus

1. Charging parking for private vehicle to reduce vehicle in campus
2. Using Solar as a renewable energy to discourage emission of green house gases from other sources of energy
3. Ride share at MNSUAM designed to encourage commuters to adopt healthy and sustainable transportation options.
