No. GS/ 2022/552
Dated: 07/09/2022

Notification

Subject: Printing and submission of final hard binding of thesis

The agenda regarding submission of number of copies of final hard binding of thesis and printing on single or double side of page was discussed in 16th meeting of BASR held on 13-06-2022. The BASR principally agreed but suggested that it should be discussed in Executive Committee for further deliberation and selecting the best method of thesis submission. Accordingly, it was discussed in 31st meeting of Executive Committee held on 01-08-2022 and after detailed deliberation, it was agreed that only three printed hard copies of thesis will be submitted by the student to the office of Controller Examinations. The Controller Examination will send one copy to main library and one copy to departmental library after necessary official scrutiny while the 3rd copy will be kept by the Controller Examination. Moreover, a soft copy of the thesis (both in word and pdf format) including scanned signed pages with number and date shall also be submitted to Controller of Examination. The Controller Office shall send one soft approved copy to each DGS, main library, departmental library, and concerned supervisor. The house further decided that thesis may be printed on both sides of the pages to reduce the use of papers. However, the house did not agree to reduce the minimum limit of 75 pages for thesis.

Program to Reduce the Use of Paper and Plastic in Campus

Description:

1. There is a matter of sound debate in our Campus to refuse the use of plastic and assure zero plastic policy in our campus.
2. Red Bins is used for plastic segregation and red color of plastic bin gave the clear message to avoid this type of waste.

3. Faculty & students of Muhammad Nawaz Shareef University of Agriculture Multan organize awareness seminar on the zero plastic use policy.
4. It is notified to all the offices of Administration & faculty and students to use the both sides of the paper. (Notification is attached)
