

Clean & Green Pakistan Campaign at Campus

Clean and Green Pakistan is a project of Muhammad Nawaz Shareef University of Agriculture Multan. Faculty as well as students participated in cleaning activity. The activity was held on Link Sui Gas Road. Students of 1st semester particularly engaged themselves in this activity along with faculty members. The students performed a walk on the university road with bags to collect garbage from the area. During the awareness walk, the message of Clean & Green Pakistan was floated among the citizens. During the activity, Dr. Asif Ali, Vice Chancellor of the university addressed the students. He said “We cannot have clean roads, streets & colonies until & unless we consider it our personal responsibility. Cleanliness is part of our faith & we should try to make ourselves serious regarding clean environment.”

During the activity worthy **Vice Chancellor Dr. Asif Ali** & Dean Faculty of Agriculture & Environmental Sciences **Dr. Shafqat Saeed** participated exclusively. During the activity CEO, Fazal Rehman Hospital, Multan, **Mr. Salman Mubarak**, **Dr. Alamgir Akhtar Khan**, **Dr. Umar Farooq**, **Dr. Muqarab Ali**, **Dr. Usman Jamshaid**, **Dr. Shakeel Ahmed**, as well as, a large number of students also participated in the activity.
