

## Discussion on Drug Addiction

**Date: 20<sup>th</sup> December, 2018**

**Venue: MNS-UAM**

Recently, Muhammad Nawaz Shareef University of Agriculture, Multan arranged anti-narcotic discussion with students where Dr. Fouzia Rafique, Project Leader & Consultant Hematologist Regional Blood Centre, Multan shared her scholarly views. She explained in detail about the drug addiction and its consequences on human body and its ultimate impact on blood transfusion. The faculty and students participated in large number in the event. A question answer session was also managed by the end of the program. The worthy Vice Chancellor of MNS-UAM appreciated the contribution of students and faculty of MNS-UAM for the development of healthy and sound society. The Vice Chancellor also presented shields to the Dr. Fouzia Rafique.
